born June 25th 1966 in Spello, Italy

1 Curriculum Vitæ

Education

1994-1997 Ph.D. in Physics Università di Perugia, *Perugia, Italy*

Thesis: “The Left-Right Forward-Backward Asymmetry of b Quarks at the SLD Using Muons”, defended on July 17th, 1997. Advisor: *Prof. G. Mantovani*.

Results published in *Phys. Rev. Lett.* **83**, 3384 (1999).

1992-1994 Master’s Degree of Science in Physics University of California Irvine, *USA*

Earned on March 25th, 1994 (GPA 3.86/4.00).

Professional Experience

LHCb

Directeur de Recherche - 2 [October 2009 - present]

Centre de Physique des Particules de Marseille, *Marseille, France*

From March 2013 till March 2017, Principal Investigator of the CPPM LHCb Group.

CDD Chercheur CNRS [December 2007 - September 2009]

Centre de Physique des Particules de Marseille, *Marseille, France*

BABAR

Research on-site at SLAC (Stanford Linear Accelerator Center).

Associate Research Scientist, permanent position [February 2005 - December 2007]

University of Cincinnati, *Cincinnati, Ohio, USA*

Postdoctoral Associate [January 2000 - January 2005]

University of Cincinnati, *Cincinnati, Ohio, USA*

Postdoctoral Associate [January 1997 - December 1999]

Rutgers University, *Rutgers, New Jersey, USA*

SLD

Research on-site at SLAC.

Postdoctoral Associate [January 1997 - December 1999]

Rutgers University, *Rutgers, New Jersey, USA*

Research Associate [April 1994 - December 1996]

INFN (Istituto Nazionale di Fisica Nucleare) sezione di Perugia, *Perugia, Italy*

UCI

Research and Teaching Assistant [September 1992 - March 1994]

University of California, Irvine (UCI), *Irvine, CA, USA*
